ADVISORY

August 24, 2012

ADVISORY: IMPORTANT INFOMRATION FOR OWNERS AND OPERATORS OF PORTABLE DIESEL INTERNAL COMBUSTION ENGINES

The purpose of this advisory is to inform the regulated community of upcoming compliance reporting deadlines pursuant to the California Air Resources Board's *Airborne Toxic Control Measure for Diesel Particulate Matter from Portable Engines Rated at 50 Horsepower and Greater* (Portable ATCM) [Title 17 CCR 93116]. To view this regulation, please, visit the link here:

http://www.arb.ca.gov/portable/perp/perpatcm.pdf

The purpose of the Portable ATCM is to reduce diesel particulate matter (PM) emissions from portable compression ignition engines. Pursuant to section 93116.4(2) of the Portable ATCM, a Statement of Compliance signed by the Responsible Official must be submitted showing that the fleet standards are being achieved and a summary that identifies each portable engine in the fleet and the associated emission rate (g/bhp-hr). The required fleet standards, compliance dates, and associated Statement of Compliance due dates are shown in the table below:

Compliance Date	Statement of Compliance Due Date	Engines <175 hp *(g/bhp-hr)*	Engines 175 to 750 hp *(g/bho-hr)*	Engines > 750 hp *(g/bhp-hr)*
January 1, 2013*	**March 1, 2013***	**0.3***	**0.15***	**0.25***
January 1, 2017	March 1, 2017	0.18	0.08	0.08
January 1, 2020	March 1, 2020	0.04	0.02	0.02

Please note that the next Fleet requirement Compliance Date is January 1, 2013, and the corresponding Statement of Compliance is due March 1, 2013

To calculate your fleet PM average, and complete the Statement of Compliance, please visit the following link:

http://www.arb.ca.gov/portable/portable2.htm

(Please see the reverse of this document for additional information)

The Statement of Compliance and associated summary must be submitted to both the MDAQMD and the California Air Resources Board. Send the completed Fleet Calculations, Fleet Summary, and Statement of Compliance to **BOTH** of the following addresses:

ARB/PERP	MDAQMD
P.O. Box 2038	14306 Park Avenue
Sacramento, CA 95812	Victorville, CA 92392

For additional assistance please call 760-245-1661 and select "1" for permitting/engineering.
