

## NOTICE OF HEARING

**NOTICE IS HEREBY GIVEN** that the Governing Board of the Mojave Desert Air Quality Management District (MDAQMD) will conduct a public hearing on January 28, 2019 at 10:00 A.M. to consider the proposed amendment of Rule 219 – *Equipment Not Requiring a Permit*.

**SAID HEARING** will be conducted in the Governing Board Chambers located at the MDAQMD offices 14306 Park Avenue, Victorville, CA 92392-2310 where all interested persons may be present and be heard. Copies of proposed amended Rule 219 – *Equipment Not Requiring a Permit* and the Staff Report are on file and may be obtained from the Senior Executive Analyst at the MDAQMD Offices. Written comments may be submitted to Brad Poiriez, APCO at the above office address. Written comments must be received no later than January 24, 2019 to be considered. The proposed amendments to Rule 219 are necessary to include additional equipment for exemption, to provide clarity to existing rule language regarding the intent of existing exemptions, and to respond to requested Federal Clean Air Act 110(l) analyses in this Staff Report for several exemptions added in previous amendments that USEPA determined were based on a misinterpreted SIP approval.

Pursuant to the California Environmental Quality Act (CEQA) the MDAQMD has determined that a Categorical Exemption (Class 8 – 14 Cal. Code Reg §15308) applies and has prepared a *Notice of Exemption* for this action.
