

# **CDAWG 2018**

**CAPCOA Update  
Erik White  
President**

# Who We Are

- 35 Air Districts
- Representing nearly 2,000 Air Quality professionals
- Governing Board made of 14 APCOs
- Coordinates district activities to respond to legislative, state, and federal programs

# 2018 Major Initiatives

- AB 617 Implementation
  - Community Selections
  - Emissions Inventory/Reporting
  - BARCT
  - Monitoring/Public Outreach
  - Funding for Implementation/Incentives
    - \$50M Implementation
    - \$250M Moyer Funding
    - Other GGRF Funding (FARMER, LCT, etc)

# 2018 Major Initiatives continued

- Active in passage of forest health bill SB 1260, expanding use of prescribed fire with funding to assist air districts
- Launch of statewide woodsmoke reduction program, providing \$5M in funding to replace older wood heating devices
- Release of joint CAPCOA/CARB/CalRecycle white paper on permitting of compost facilities in California in support of SB 1383 organics diversion requirements.

# 2019 Activities

- Continued AB 617 work
  - Emissions inventory and reporting work will be challenging
- Continued support for forest health activities
- Expecting busy year in Legislature
  - Continued advocacy for sustainable funding for new responsibilities
  - New Governor with new priorities
