

What Types of Equipment Will Not Be Listed On the Title V Permit?

In accordance with Rule 219, the following types of equipment will not be listed on the Title V permit and will not be subject to compliance certification or other Title V requirements.

- 1) Rule 219- exempt equipment which is not subject to any source-specific regulatory requirements and/or does not emit Air Contaminants in an amount greater than:
 - (a) Ten percent (10%) of the applicable threshold for determination of a Major Facility pursuant to Rule 1201 or two (2) tons per year of any Regulated Air Pollutant, whichever amount is less; or
 - (b) Any de minimis level for a Hazardous Air Pollutant, promulgated pursuant to 42 U.S.C. §7412 (Federal Clean Air Act §112), any significance level defined in 40 CFR 52.21(b)(23)(i), or 0.5 tons per year of such Hazardous Air Pollutant, whichever is less.¹
- 2) Non-road engines as defined by 40 CFR Part 89, Section 89.2.
- 3) Military tactical support equipment registered to operate statewide pursuant to Article 5 – Portable Engine and Equipment Registration, Title 13 of the California Code of Regulations.
- 4) Portable equipment that already has an MDAQMD permit², provided that such equipment:
 - (a) is not a major source as defined by 40 CFR Part 70, Section 70.2;
 - (b) usage does not conflict with the terms or conditions of the Title V permit of the facility visited by the portable equipment; and
 - (c) is not located at the facility for more than twelve consecutive months after commencing operation.

Addressing State – Registered Portable Equipment (PERP)

A facility may be visited by state-registered portable equipment that is not exempted from a Title V permit. In this case, the Title V operator may certify compliance for the equipment by obtaining from the contractor a copy of the contractor's state registration and a written certification signed by the contractor that the contractor complied with all conditions of the registration. Only the following state-registered portable equipment are exempt from being listed in the Title V permit and therefore, are exempted from compliance certifications:

- Portable non-road engines; and
- Military tactical support equipment.

¹ For a list of activities the District has determined is excluded based on these thresholds, please see "Trivial Activities" listed on District Form 1202E2.

² State-registered equipment, other than non-road engines and military tactical support equipment, do not qualify for this exclusion.
