# A FLAIR for Clean Air

## 2019 Clean Air Month Poster Contest

### THE PREMISE

We've come a long way since the original Air Pollution Control Act of 1955. People all over

the world are continuing to find ways to reduce emissions, decrease air pollution and protect air quality – but there's still more work to do. Can you, your friends and your family make small changes to things you do every day to protect air quality?

Look around you on your way to school and back home – even the smallest, most ordinary tasks may offer the biggest impacts with a simple change. **Create a poster** showing how you can help reduce air pollution simply by changing things in the course of your every-day routines.

### THE RULES

1. Create an **ORIGINAL** poster that shows changes you can make in your every-day life that can help reduce air pollution.
2. Create your poster using an unlined 8 ½" x 11" horizontal white piece of paper.
3. Use crayons, colored pencils, pens, markers or watercolors only; no chalk.
4. Posters must be drawn free-hand: no tracing or prefabricated drawings will be accepted.
5. Posters must include the artist's name, grade level, gender, mailing address, telephone number, and their teacher's name and school (if done as a school project), on back of poster. Write on the back of the poster in pencil only.
6. One entry per student.
7. All entries will be judged on the basis of creativity, originality and relevance to theme.
8. All entries become the property of the MDAQMD. Judges' decision is final.
9. Contest winners will be featured in the official 2020 MDAQMD calendar and recognized during an awards ceremony in May 2019.
10. **Entry deadline: 5 p.m. May 2, 2019.**
11. Eligible contestants must attend school in the High Desert portion of San Bernardino County or the Palo Verde Valley of Riverside County **only**.

### THE PRIZES

Winners in each category receive:

**1st \$100**
